Future technology has been applied to the successful Sea Hawk series for class leading efficiency and guaranteed durability.

**Hi-tech materials**
Sea Hawk-R housings are ‘Non-metal’, injection moulded from a revolutionary thermally conductive polymer that is highly resistant to degradation, even under harsh UV.
This advanced material draws heat away from internal electronics for reliable long-term operation. Utilising thermal polymer eliminates the requirement for an aluminium housing in this class of floodlight, removing potential surface deterioration and material corrosion risks associated with coated metal in the harsh marine environment.
The lens is precision moulded from high performance Grilamid® for strength and durability.

**Multivolt™ 9-33V DC**
Advanced electronics ensure reliable illumination and lamp protection even under severe voltage fluctuations and low battery voltages.

**Engineered light pattern**
Sophisticated optics deliver a broad and even illumination without glare or harsh point sources. Specifically developed to illuminate a wide, close-range spread over a cockpit, foredeck or working area.

**Pre-wired with twin core marine cable**
High quality sealed cable assemblies for time saving, completely sealed installations.

**Designed and manufactured in New Zealand**
Sea Hawk lamps carry a 5 year warranty.
Hella marine Sea Hawk-R series.
Compact, high performance LED floodlights

Material Description
‘Non metal’ thermally conductive polymer housing
Heavy duty Grilamid® lens

Bracket
Polished 316 stainless steel

Colour Temperature
5000K (White) / 3000K (Warm White)

Cable
Pre-wired with 0.5m of twin core marine cable

Operating Voltage
Multivolt™ 9-33V DC

Degree of Protection
IP 67 - Completely Sealed

Power Consumption
7W (0.58A@12V / 0.29A@24V)

Weight
250g (including cable)

Light Output
550 lumens (White) / 380 lumens (Warm White)

Approvals
CE, C-Tick

Dimensions
a = 136mm / 5.35"
b = 53.0mm / 2.08"
c = 49.0mm / 1.93"
d = 46.0mm / 1.81"
e = 32.5mm / 1.28"
f = 90.0mm / 3.54"
g = 123mm / 4.84"
h = 25.0mm / 0.98"
